RACE AGAINST DEMENTIA
ANNUAL REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2021

The Trustees, who are also the Directors for the purpose of company law, present their report and the independently examined financial statements of Race Against Dementia (“the Charity” or “the Charitable Company”), for the year ended 31 December 2021. The comparative figures represent the year ended 31 December 2020.

The financial statements comply with the Charities Act 2011, the Companies Act 2006, the Memorandum and Articles of Association, and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (“Charities SORP FRS 102”), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102).

1. REFERENCE AND ADMINISTRATIVE DETAILS

Race Against Dementia, (registered Charity Number 1165559 and Company Number 09973676) is based and administered in the United Kingdom. The registered address is Eighth Floor, 6 New Street Square, London, EC4A 3AQ. Website: www.raceagainstdementia.com

Directors and Trustees:

The Directors and Trustees of the Charity who held office during the period and continue to serve at the date of this report are:

Sir Jackie Stewart OBE (Chairman)	Mr Jeremy Courtenay-Stamp
Dame Vivien Duffield	Mr Christopher Bliss
Mr Edsel Bryant Ford II	Ms Linda Cooper
Mr Raoul Jean-Marc Huet	Mr David Mayhew CBE
Mr Khoi Tu (appointed 12 July 2021)	Mr John Clarke (appointed 20 September 2022)

The Directors did not hold any beneficial interest in the Foundation at 31 December 2021 or at any time during that period.

Key staff:

Bridget Barker, CEO (appointed June 2021)
 Dr Penny Moyle, CEO (resigned June 2021)
 Ms Iona Grieve Finance Manager
 Ms Clare Walker, Administrative Manager (resigned August 2022)
 Sophie Maggs, Fundraising Manager (appointed August 2022)
 Jan Knight, Administration Manager (appointed August 2022)

Scientific advisors:

Prof Siddharthan Chandran and Prof Philip Scheltens

Bankers:

Adam & Company - 22 King Street, London, SW1Y 6QY
 HSBC Bank Plc - 8 Canada Square, London E14 5HQ

Solicitors:

Macfarlanes LLP - 20 Cursitor Street, London EC4A 1LT

Accountants:

Rawlinson & Hunter LLP - Eighth Floor, 6 New Street Square, London, EC4A 3AQ

Auditor:

Xeinadin Audit Limited, 15-19 Cavendish Place, London, W1G 0DD

RACE AGAINST DEMENTIA
ANNUAL REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 DECEMBER 2021

2. STRUCTURE, GOVERNANCE AND MANAGEMENT

The Charity is a private limited company incorporated on 27 January 2016 and governed by its Memorandum and Articles of Association. The Charity was registered as a charity with the Charity Commission for England and Wales on 12 February 2016.

The number of Trustees shall be a minimum of three at any one time and shall not be subject to any maximum. New Trustees shall be appointed by ordinary resolution by the existing Trustees. The range of skills represented on the Trustee Board will be kept under review as the Charity develops over time.

The Trustees communicate regularly throughout the year to discuss and develop the Charity's goals and strategy and to review grant proposals and general grant requests.

Induction and Training

As part of their training, Trustees are given an information pack which includes the Charity's Memorandum and Articles of Association and the Charity Commission guidance on Trustees' Responsibilities. All Trustees are aware of their legal duties and obligations in respect of the management of the Charity, including in relation to the protection of its assets.

Related Parties

None of the Trustees receive remuneration or other benefit from their work with the Charity. Any transactions between the Charity and any related parties must be approved by the Trustees.

Trustees' Responsibilities Statement

The Trustees (who are also Directors for the purposes of company law) are responsible for preparing the Annual Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the Charitable Company and of the incoming resources and application of resources, including the income and expenditure, of the Charitable Company for the period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2019 (FRS 102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charitable Company will continue in operation.

RACE AGAINST DEMENTIA
ANNUAL REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 DECEMBER 2021

2. STRUCTURE, GOVERNANCE AND MANAGEMENT (continued)

The Trustees are responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charitable Company and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Charitable Company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the corporate and financial information included on the Charitable Company's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legislation in other jurisdictions.

Internal Controls

The Trustees have overall responsibility for ensuring that the Charity has appropriate systems of internal controls. They are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements follow best practice and all applicable law regulation and guidance. The Trustees are also responsible for the Charity safeguarding its assets and for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In order to oversee the day to day running of the Charity an Executive Committee was established. The committee comprises of two Trustees together with the Chief Executive, Mrs Bridget Barker. All other Trustees are welcome to attend meetings of the Executive Committee if they so wish. In May 2020, the Trustees formally appointed two scientific Advisors, Professors Siddharthan Chandran and Philip Scheltens, highly respected dementia scientists who have been informally advising the Charity since its inception. The Scientific Advisors work closely with the Executive Committee on the strategy relating to the appointment of RAD Fellows and monitoring progress of funded projects.

The system of internal controls is designed to provide reasonable, but not absolute, assurance against material misstatement or loss.

3. OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT

The objects of the Charity are specifically restricted to:

- The preservation and protection of the health of the public in particular by promoting or assisting in the promotion of research into the causal mechanisms of neurodegenerative diseases with the aim of treating or preventing dementia and the dissemination of the results of such research;
- The promotion of the relief and treatment of those suffering from dementia and related disorders and the provision of support both for such persons and those caring for them; and
- All other purposes that are for the public benefit and are exclusively charitable under the law of England and Wales.

The Trustees have a number of powers which are detailed in the Articles of Association and which may be exercised only in promoting the objects.

RACE AGAINST DEMENTIA
ANNUAL REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 DECEMBER 2021

OBJECTIVES AND ACTIVITIES FOR THE PUBLIC BENEFIT (continued)

Statement of Public Benefit

As a grant-funder, the Charity's activities will provide public benefit to the individuals and communities who are beneficiaries of the Foundation's funded projects. The Foundation's public benefit is not limited with reference to geography, by the charging of fees or otherwise. The Trustees are aware of the Charity Commission guidance on Public Benefit and confirm that they have complied with the duty in Section 4 of the Charities Act 2011 to have due regard to it. They consider the information which follows in this annual report, about the Charity's aims, activities and achievements in the areas of interest that the Charity supports demonstrates the benefit to its beneficiaries and through them to the public, that arise from those activities.

Grant Making Policies

The Trustees' grant making policy has been to generally consider making donations by way of direct funding and also by way of grants to charitable organisations recognised as such in their respective jurisdictions for projects that are exclusively charitable under English law. The Charity has begun to put in place sound grant arrangements so that it can continue to properly select appropriate grantees and impose prudent terms on grants, including, as appropriate, monitoring and evaluation of the way in which funds are applied by grantees.

4. ACHIEVEMENT AND PERFORMANCE

Charitable Activities

Direct charitable expenditure for 2021 totalled £2,215,509 (2020 - £316,412). One donation which totalled £108,382, made to the Mayo Clinic to fund the RAD Fellow, Dr Ellen Hicks.

The appointed RAD Fellows with the RAD Fellowship programme at the time of this report are:

- Dr Claire Durrant, who commenced her Fellowship at the University of Edinburgh on 1 September 2019;
- Dr Cara Croft, who commenced her Fellowship, associated with UCL but beginning with a period of research at the University of Florida on 1 September 2019;
- Dr Christy Hung, who commenced her Fellowship at University College London on 1 October 2019;
- Dr Ellen Hicks, who commenced her Fellowship at the Mayo Clinic, Rochester on 1 April 2020 (due to Covid-19 travel restrictions Dr Hicks was relocated to the University of Amsterdam until August 2021);
- Dr Adeunle Bademosi, who commenced his Fellowship at the University of Queensland on 1 January 2021;
- Dr Andrew McKinnon, who commenced his Fellowship at the University of Sydney on 1 January 2021;
- Dr Emily Lane-Hill, who commenced her Fellowship at the University of Warwick on 1 October 2021;

RACE AGAINST DEMENTIA
ANNUAL REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 DECEMBER 2021

4. ACHIEVEMENT AND PERFORMANCE (continued)

- Dr Maura Malpetti, who commenced her fellowship at the University of Cambridge on 1 October 2021;
- Dr Aitana Sogorb Esteve, who commenced her fellowship at University College London on 1 October 2021; and
- Dr Wioleta Zelek, who commenced her fellowship at Cardiff University on 1 October 2021.

In March 2021 Dr Croft and Dr Durrant were awarded Emerging Leader status by the UK Dementia Research Institute in recognition of their research and commitment to beating dementia. The Dyson Foundation has also agreed further funding of £1million to accelerate and expand Dr Durrant's research. It was agreed that the funds would be sent directly to the University of Edinburgh.

The RAD Fellows Leadership Programme draws on aspects of F1 culture and best practice, which tend not to get sufficient attention in research settings, e.g. teamwork, communication, collaboration, problem-solving, leadership. Working with Red Bull and McLaren to understand how these aspects are developed, RAD implemented a Leadership Programme that draws on best practice from these F1 teams. During RAD Fellows 2021, the RAD Fellows have experienced training and development with MBTI (personal style and leadership), Customer Psychology Ltd (leadership), Crackle and Fizz (communication) along with the continuation of development with Hinsta (performance coaching).

RAD hosted the inaugural Dementia Research Meets Motorsport event on 6 July 2021. This was an online Innovation Accelerator, a team-based competition bringing together early career dementia researchers with people working in motorsports to collaborate and develop ideas for accelerating progress in dementia research. A seed grant of £20,000 was announced at the event.

Following the Charity's partnership with Dementia Australia Research Foundation in early 2020 two Australian RAD Fellows, Dr Adekunle Bademosi and Dr Andrew McKinnon, were appointed in January 2021. In June 2021 the Charity agreed to co-fund a further three-year fellowship with and appointed Dr Karissa Barthelson in January 2022.

The appointment of the fellows Dr Emily Lane-Hill and Dr Maura Malpetti in partnership with Alzheimer's Research UK were funded by The Barbara Naylor Foundation and The MariaMarina Foundation respectively.

The Trustees have agreed to fund two upcoming projects. The first will be a three year study held at Geneva University Hospital. Total investment will be CHF565,584 over three years with the first year being met from the Charity's reserves and the remainder through fundraising. The second is a two-year pilot project that may build into an ongoing Race Against Dementia Treatment Discovery Hub – this is the discovery hub. Total investment may be up to £1 million and once again the Charity is funding the first year of research from reserves and is currently fundraising to obtain £500,000 to pay for the second year. If so agreed, the ongoing hub will require funding in the region of £500,000 per annum.

In December 2021 the Trustees agreed a joint research partnership between the University of Edinburgh and the University of Amsterdam. The aim of the project is to accelerate the discovery of new treatments through repurposed drugs and test these compounds in clinical trials. Each institution received £250,000 in February 2022.

Donations received in the year will help Race Against Dementia to continue to fund the RAD Fellowship Programme in collaboration with Alzheimer's Research UK. In March 2022, the Trustees agreed to co-fund two further Fellowships with Alzheimer's Research UK.

RACE AGAINST DEMENTIA
ANNUAL REPORT OF THE TRUSTEES (continued)
FOR THE YEAR ENDED 31 DECEMBER 2021

5. FINANCIAL REVIEW

The Statement of Financial Activities on page 10 shows total incoming resources for the period of £1,997,160 (2020: £787,462) which consisted of restricted and unrestricted donations and tax reclaimed through the Gift Aid relief scheme where applicable.

Resources expended totalled £2,242,482 (2020: £383,223) and includes charitable activities of £2,215,509 (2020: £316,412) and the costs of raising funds of £26,973 (2020: £66,811).

Governance costs totalled £29,915 (2020: £43,765) and are included within charitable activities.

The balance of reserves at 31 December 2021 is £2,156,753 (2020: £2,417,905).

The Trustees have no outstanding commitments or cash demands which are not adequately covered by existing resources. The net assets of the Charity are regarded as free reserves and the funds at 31 December 2021 will be retained to make grants in accordance with the Charity's charitable objects.

The Covid-19 pandemic has not created operational and financial pressures on the Charity. Having considered the contingency plans in place, the support to businesses announced by the UK Government and having reviewed updated cashflow forecasts, the Trustees consider the adoption of the going concern basis in preparing these financial statements continues to be appropriate.

Risk Management

A risk assessment has been undertaken which comprises:

- An annual review of the risks the Charity may face,
- The establishment of systems and procedures to mitigate those risks; and
- The implementation of procedures designed to minimise any potential impact on the Charity should those risks materialise.

This continuing process will identify risk areas to which the Charity is vulnerable and highlight any necessary safeguards that will need to be put in place. No major risks were identified at the date of these financial statements.

The Trustees have signed fit and proper declarations in line with HMRC guidance.

6. PLANS FOR THE FUTURE

The Trustees do not propose to deviate from the current objectives and activities of the Charity as detailed in Section 3 of this report but will further develop and refine their strategies, policies and procedures in future.

INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF
RACE AGAINST DEMENTIA

Opinion

We have audited the financial statements of Race Against Dementia (the 'Charitable Company') for the year ended 31 December 2021 which comprise the Statement of Financial Activity, Balance Sheet, Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the Charitable Company's affairs as at 31 December 2021, and of its incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charitable Company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charitable company's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Trustees annual report, other than the financial statements and our auditor's report thereon. The Trustees are responsible for the other information contained within the annual report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

**INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF
RACE AGAINST DEMENTIA**

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' report (incorporating the Directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the strategic report and the Directors' report have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the Charitable Company and its environment obtained in the course of the audit, we have not identified material misstatements in the Directors' report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of directors' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption from the requirement to prepare a strategic report

Responsibilities of trustees

As explained more fully in the Trustees' responsibilities statement set out on page 2, the Trustees (who are also the Directors of the Charitable Company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charitable Company or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibilities for the audit of the financial statements

We have been appointed as auditor under section 145 of the Charities Act 2011 and report in accordance with regulations made under section 154 of that Act.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

**INDEPENDENT AUDITOR'S REPORT
TO THE TRUSTEES OF
RACE AGAINST DEMENTIA**

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

Our assessment of the susceptibility of the entity's financial statements to material misstatement, including how fraud might occur, is considered to be low. This conclusion was reached after the consideration of the following:

- due to the relatively simple business model and minimal transactions within the Foundation there are comparatively few unexpected fluctuations in the reported results and balances and any such unexpected items would be specifically enquired into by us; and
- there are a number of individuals which comprise "management" and therefore there is no single individual who is likely to be able to override controls to effect a fraud.

We designed our audit procedures to respond to identified audit risks, including non-compliance with laws and regulations (irregularities) that are material to the financial statements. Some of the specific procedures performed to detect irregularities, including fraud, are detailed below:

- the review of control accounts and journal entries for large, unusual or unauthorised entries;
- the analytical review of the detailed statement of financial activities for variances that are either unexpected or felt not to be in accordance with our understanding of the charitable activities during the year;
- obtaining and reviewing for completeness a list of entities and persons considered to be related parties (as defined by Financial Reporting Standard 102) and reviewing the ledgers of the Foundation for previously unreported related party transactions;
- review of transactions and journals for any indication of fraud or management override.

Because of the inherent limitations of an audit, there is a risk that we will not detect all irregularities, including those leading to a material misstatement in the financial statements or non-compliance with regulation. This risk increases the more that compliance with a law or regulation is removed from the events and transactions reflected in the financial statements, as we will be less likely to become aware of instances of non-compliance. The risk is also greater regarding irregularities occurring due to fraud rather than error, as fraud involves intentional concealment, forgery, collusion, omission or misrepresentation.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and the charitable company's members as a body, for our audit work, for this report, or for the opinions we have formed.

RACE AGAINST DEMENTIA
NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 DECEMBER 2021

1. ACCOUNTING POLICIES

The accounting policies set out below have been agreed by the Trustees on the basis that they will be adopted as they become relevant.

Basis of preparation of financial statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) ("Charities SORP FRS 102"), the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102), the Charities Act 2011, the Companies Act 2006 and UK Generally Accepted Accounting Practice.

The Charity continues a public benefit entity as defined by FRS 102.

The significant accounting policies applied in the preparation of these financial statements are set out below. These policies have been consistently applied to all years presented unless otherwise stated.

Incoming resources

Investment income is derived from dividend and interest receivable from investments and is accounted for in the period in which the charity is entitled to receipt. Interest from deposit accounts are included as and when received only. All incoming resources are included in the Statement of Financial Activities (SOFA) when the Foundation is entitled to the income and the amount can be quantified with reasonable accuracy.

Resources expended

All expenditure is included on an accruals basis and is recognised when there is a legal or constructive obligation committing the Trustees to the expenditure.

Charitable activities comprise grants, donations, support and governance costs made during the period and are expended through the Statement of Financial Activities when the offer is conveyed to the recipient. The Trustees have made the decision not to discount grants committed for future periods.

Governance costs relating to the general running of the charity, as opposed to the management functions inherent in generating funds.

Status of funds

The Charity holds both restricted and unrestricted funds. Unrestricted are those for which Trustees have complete discretion for their use in pursuance of its objectives and the day to day operation of the Charity.

Restricted funds are those which have been donated to the Charity for a specific cause or purpose, whereby the donor has imposed a restriction their future use.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED TO 31 DECEMBER 2021

1. ACCOUNTING POLICIES (continued)

Foreign currency

Assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the Balance Sheet date. Transactions denominated in foreign currencies are converted at the rate of exchange ruling at the date of the transaction. All translation differences are taken to the Statement of Financial Activities as they arise.

Debtors and creditors receivable / payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised as expenditure.

Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held on call with banks, other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. Bank overdrafts, when applicable, are within borrowing in current liabilities.

Taxation

The Charity is not subject to any taxes on its charitable activities.

The Charity is an exempt charity within the meaning of schedule 3 of the Charities Act 2011 and is considered to pass the tests set out in Paragraph 1 Schedule 6 Finance Act 2010 and therefore it meets the definition of a charitable company for UK corporation tax purposes.

Irrecoverable VAT is charged against the category of resources expended for which it was incurred.

Provisions

Provisions are recognised when the Charity has an obligation at the Balance Sheet date as a result of a past event, it is probable that an outflow of economic benefit will be required in settlement and the amount can be reliably estimated.

Going Concern

The Trustees have assessed whether the use of the going concern assumption is appropriate in preparing these Financial Statements. The Trustees have made this assessment in respect of the period to 31 December 2021.

The Covid-19 pandemic has not significantly impacted the Charity. Having considered the Charity's resources and anticipated donations, the Trustees consider the adoption of the going concern basis in preparing these financial statements continues to be appropriate.
